Appointments with the doctor done over the phone have the same fees applied as visits in the office.

Most extended medical plans provide coverage for visits, lab and food sensitivity tests; please learn the details of your specific plan. Please save your receipts for this extended coverage, as we will not be able to issue another receipt. A \$10.00 charge will apply for extended reports.

Custom made or special order medicines are to be paid for before they are ordered or made. There are also no rebates on quantity of medicine items ordered.

Any natural hormone alternatives, that you may be prescribed, are refillable only under doctor authorization; otherwise a follow-up visit is required. This is a mandatory clinic policy.

Please be aware that at times prices for medicines may decrease, increase or stay the same. This reflects exact current pricing that we are charged by our suppliers and US exchange rates.
